

ADELIE CONSTRUCTION

Material Selection and Deadline Tracker

Track approvals, model numbers, lead times and deliveries.

HOMEOWNER PLANNING TOOL

Project name: _____

Property address: _____

Date started: _____ Target start: _____

Use this workbook to organize questions and decisions before they become expensive field changes. It is a planning aid, not project-specific legal, design, engineering or code advice.

Selection Record

Room and item

Manufacturer, model and finish

Supplier and quoted price

Approval deadline

Order date and expected delivery

Coordination Check

Dimensions verified in field

Installer requirements reviewed

Matching trim or accessories ordered

Delivery inspected for damage

Long-Lead Priorities

Cabinetry

Windows and exterior doors

Appliances

Plumbing fixtures

Specialty tile or stone
